Letter Of Intent

Re: Shipment of Cadaveric Tissue for an Annual training course held at The Royal Liverpool University Hospital, UK hosted by Mr. Rick James +49 211 667-4819

To Whom It May Concern:

On January 1st, 2007, this shipment of (Description of Specimen – EG- 10 Shoulders, 6 Knees) Specimens will be used in a course held by Royal Liverpool University Hospital, UK. The specimens originated from Your City, Your State USA and are from legally consented for research tissue donors. They will be arriving in Destination City- EG United Kingdom via Freight Services Courier (520-777-3850) and will be frozen and packed in Gel Packs/Dry Ice. These tissues have all been serologically tested for (HIV ½ Ab, HBsAg, HCV Ab) and are all negative and non-infectious. Please see enclosed donor information sheets. These specimens are to be delivered to:

**Royal Liverpool University Hospital
John Lennon Heights
Liverpool, L9 2XP, United Kingdom
Attn: Mr. Rick James 44 + 211 667 4819**

Furthermore, these specimens are to clear customs and be picked up by Freight Services UK.

The tissues are to be held for storage, used, and then later disposed of at The Royal Liverpool University Hospital. Since it is essential that the tissue be kept frozen, we appreciate your help in expediting this delivery.

Sincerely,
