# MANAGED LOGISTICS

FREIGHT SERVICES—DELIVERING FIRST CLASS PERFORMANCE & CUSTOMER SERVICE

## Managed Logistics Services

Your business is global, make sure your MLS (Managed Logistics Service) is too.

As a global logistics company with headquarters in Tucson, Arizona, we have more than 700 domestic and worldwide agents that we network with that span over 250 locations across six continents.

## FIRST CLASS SERVICES FOR:

- Air Freight
- International
- Less than Truckload
- Truckload
- Expedite
- Special Services
- Warehousing

Your business will gain the shipment optimization, visibility, business intelligence, and global supply chain talent needed to lower costs, improve efficiency, and gain a competitive advantage in your global supply chain.

Freight Services can help you innovate and elevate your shipping options with our premium line of concierge services.
